

PART I

Theory suggests that 9-11 was an inside job, plotted long ago, before the World Trade Center was conceived in 1955. Theory suggests 9.11 was conceived, even before the Stock crash of 1929. Was 9.11 conceived before Standard oil was busted up in 1911, even before Robert E. Lee's first battle on 9.11.1861, even before the end of the American revolution in 1783 (119 years (the reverse of 911) since the British first owned Manhattan in 1664).

It is a fact that the 9.11 disaster of 2001, was on the 225th anniversary of the failed peace conference to end the American Revolution of 1775 (the failed Staten Island Peace Conference). As it turns out, 225 is the inverse of 1775. (In some circles, inverse and reverse, means retaliation) (just ask the Free Masons).

Who were the fiendish master minds, with seething vengeance in their hearts? Who seem to have left behind, a trail of symbolic foot prints, perhaps inadvertently, perhaps intentionally, as a calling card (like a fiend, who commits a heinous crime, and leaves his calling card out of arrogance, assuming no one will figure it out). Or maybe the calling card was for the insiders, so they could boast about their heinous acts.

-
- The WTC (World Trade Center) was leased for 3.25 billion dollars, 49 days before 9.11. 49 could mean "for 9" (the 9th letter is "I", which could mean eye, or an eye for an eye, the biblical phrase for retaliation).
 - Coincidentally the WTC (or two "I"'s 1368 feet tall) emphatically seemed to symbolize retaliation (The last beheading at the Bloody tower of London, was on 4.9.1747. Robert E Lee surrendered the Northern Army of Virginia on 4.9.1865, ending the American Civil War).
 - Queen Elizabeth's initials (QEII), converts to (Q=17 E=5). During 9.11, UA175 hit the South Tower, and the queen was 75 at the time. The American Revolution began in 1775.
 - The queen was born on the 2nd sign of the Zodiac (The 2nd sign is 8 on the clock). The 8th month is August, and most major WTC (World Trade Center) dates happened in August (including the Hi Wire act by Petit in 1974, 27 years before the 9.11 disaster).
 - 27 is the reverse 72 (does 72 = GB for Great Britain?). 9.11 was 72 years after the 1929 stock crash (where America went homeless). Trump was crowned 72 years after the 3rd Reich (1945.5.7) (Trump wanted 5.7Billion for the border wall) (his government shutdown cost 8 billion).
 - King George III (KGIII, King during the American Revolution), was crowned at 22. JFK was shot on the 22nd. KGIII was crowned in 1760, and JFK was elected in 1960.
 - Trumps government shutdown started on 12.22 and the Mueller probe lasted 22 months. The 22nd letter is "V" for VOC (the Dutch East India Company, they were the ones that ripped off the Indians, in the acquisition of Manhattan. Surely it was a misunderstanding (\$24 for Manhattan? Should the Indians receive fair compensation?).
 -
 - Titanic sunk at 220 (struck at 20 till, sunk at 20 after) (the British East India Company logo, matches this same timeline, with crosses at 20 till and 20 after) (the 20th letter is "T") (Mr. T, supervised the

construction of the World Trade Center). AA342 (JD Rockefeller is symbolic of the number 34, since his empire split into 34 pieces in 1911, and 9.11 hit 90 years later), AA342 just missed the North Tower on 2.20.1981, and the 9.11 tragedy occurred 20 years later.
