

### PART III

- 3 days after the 9.11 tragedy, Bush stood on the rubble of the Twin Towers (apparently two emphatic “I”s, signifying an eye for an eye, retaliation) (which once towered at 110 stories) (the number 11 could mean the same thing, two “I”s).
- So, on 9.14.2001 there was Bush, on top of it all, wearing Fire Hat 164 (on the 100<sup>th</sup> anniversary of the McKinley assassination (1901.9.14) (Robert E Lee, was fatally ill on the 9<sup>th</sup> month for 14 days) (the first WTC hit was at 14 till 9) (the word NAZI starts with the 14<sup>th</sup> letter, ends with the 9<sup>th</sup> letter. The Nazi’s were full of hate too. Did Hitler and JD Rockefeller know each other? (JD’s descendent corporations helped Hitler out, during World War II. So did Bush 41 (apparently pictured in front of the School Book Depository, in the aftermath of the JFK HIT), and Allen Dulles (later the CIA Director fired by JFK, and was on the Warren Commission (to find out who shot JFK).
- During 9.11, the WTC site was referred to as “Ground Zero”, and coincidentally, the center of the Pentagon has the same name (the Pentagon construction started on 9.11.1941, as if anticipating America’s entry into the war).
- The WTC (World Trade Center) plan was approved in 1964. Also, the SS tried to kill DT on his 64<sup>th</sup> birthday, in dramatic fashion, for the camera’s.
- The number 64 appears symbolic of the British owning Manhattan in 1664 (the American Revolution ended 119 years later (the reverse of 911). However, Robert E Lee’s estate was turned into Arlington cemetery in 1864 (during the Civil War). (AA77 did buzz Arlington Cemetery before crashing into the Pentagon (killing all 64 aboard).
- Did AA77 buzz Arlington because of Lee? before crashing into the Pentagon after a 77 minute flite (The Pentagon is in Arlington county, Virginia). AA77 crashed at 9:37 (JD Rockefeller died in 1937), 34 minutes after UA175 hit the South Tower (34 is symbolic of JD).
- Did the North and South Towers symbolize the Civil War? (Between the North and the South?). Does 77 symbolize the end of Reconstruction (1977 Jimmy Carter from Atlanta became president) (is Atlanta symbolic for “the burning of Atlanta”, and Sherman’s destructive march to the sea?) (JD’s legal nemesis was the Sherman Anti-Trust Act).
- Is it all about the Civil War? 158 years ago (is that why the GOP is so incalcitrant? Leading to partisan divide, gridlock, rigged elections) (is that why Trump is always trying to incite his supporters “let’s take our nation back!”).
- Before the Jan 6<sup>th</sup> riots he stated "We fight like hell. And if you don't fight like hell, you're not going to have a country anymore,".
- According to the NY Times, Trump told the crowd “you weel never take our country back with weakness”! Trump called the outcome of the election “this egregious assault on our democracy” (Egregious means shocking, appalling, horrific (as if to say, I am horrified that I didn’t win! How could this be! Trump, Moi, lost! I am appalled by the results!). Rudolph W. Giuliani addressed the (Jan 6<sup>th</sup>) crowd and called for “trial by combat” against the Democrats to win the election. Trump urged his supporters to see the routine act of certifying the election results as an illegal affront against him and against them.
- After the 1929 Wall Street crash, the next president’s initials are the 6<sup>th</sup> and 4<sup>th</sup> letters.

- The suggestion is the number 64 is symbolic of 1864 when Robert E Lee's estate was turned into a Cemetery (the rose garden was lined by 26 Union soldier graves, to deter Lee's return to his home).
- AA11 hit the North Tower at 846 (46 reverses 1864 when Robert E Lee's estate was turned into Arlington Cemetery).
- AA11 had 76 passengers (1776.9.11 was the failed peace conference (SIPC) to end the American Revolution). The 9.11 tragedy in 2001, marked the 225<sup>th</sup> anniversary of the SIPC (225 reverses 1775 (the American Revolution)).
- AA11 was a 47-minute flight (the number 47 could mean "for 7") (the 7<sup>th</sup> letter "G" is symbolic of the Free Masons, and G is the 7<sup>th</sup> letter) (JFK's limo plates were GG300) (JFK was shot at the Stemmons sign (that's Route 77). Dealey Plaza is shaped like two sevens (one in reverse) (Everybody on the Warren Commission was a 33<sup>rd</sup> degree Free Mason) (Zapruder was a 33<sup>rd</sup> degree Mason).
- Did the Mason's do it? JFK's dad seemed to side with Hitler against the Jews (his entire family was devastated, especially with 2 assassinations). Were JD and JP Free Mason's? Is Trump a Free Mason?
- The 9-11 president was born in 1946, and was the 46<sup>th</sup> governor of Texas. 9-11 occurred 46 years after the World Trade Center was conceived in 1955, and the 1911 bust up of JD Rockefellers empire, was 46 years after the Civil War. JFK was 46 when he was assassinated, and the Garrison trial was on 4-6.
- The 9.11 tragedy of 2001, was 90 years after JD Rockefellers empire was busted up into 34 pieces, in 1911 (the number 90 could come from the 1890 SAA (Sherman Antitrust Act section II) (notice how the initials SAA convert to "19 1 1") (notice how section II, could be the reason for the two emphatic "I"s, towering over Manhattan, as the World Trade Center) (Is Sherman symbolic of William Tecumseh Sherman? And his devastating march to the sea).
- The construction supervisor of the WTC, died at 90. UA175 hit at 903 (the suggestion at this point is the number 3 is symbolic of 3pm, when Robert E Lee surrendered the Northern Army of Virginia), the first WTC hit was in 1990 + 3, and UA93 converts to 90+3. When Lee reached the top of the steps at the McClean house, he turned and smote his hands 3 times (5 days later Lincoln is shot during the 3<sup>rd</sup> Act).
- Also in the initials SAA, "S" is the 19th letter (there were 19 hijackers during the 9.11 disaster, and 15 were from SA (Saudi Arabia) (Robert E Lee surrendered at 1500 military time, 1500 died when Titanic sunk. Also, 15 is symbolic of JD Rockefellers empire (a suspected Confederate) (the WTC architect helped build the SA (Saudi Arabia) airport).
- Robert E. Lee's birthday (1.19) is symbolically the reverse of 9.11, and his name is reversed in the name of Leslie E Robertson (the WTC designer).
- Bush was notified twice (of two airliners plowing into the WTC) (5 till 9am, and 5 after 9am) (which happen to be the 11<sup>th</sup> sign of the Zodiac, and the 9<sup>th</sup> sign of the Zodiac, respectively) (so you have 11 and 9, the reverse of 9.11) (in some circles, reverse means retaliation) (also 9am converts to "I" for "an eye for an eye"). During 9.11, all 4 flights reversed course).
