

- 26 Union soldier graves lined the perimeter of the rose garden (at Arlington house) to prevent the return of Robert E. Lee (during the 9.11 tragedy, all 4 flights reversed course and destroyed the twin towers (an apparent symbol of North vs South) (the Civil War lasted 4 years).
- The first WTC strike, was on 2.26.1993. The construction supervisor of the WTC, was Tozzoli (his name has two z's, and he was called MR "T") (T=20, the Titanic was hit at 20 till, and sunk at 20 after) (on 2.20.1981 AA342 just missed the North Tower, 20 years later, the 9.11 tragedy occurs).
- The Queen was born 1926, and coronated 26 years later, at age 26. The Queen was 75 years old (during the 9.11 disaster) (the American Revolution began in 1775). The Queen's initials (QE) convert to 17 and 5 (UA175 struck the South tower) (JP Morgan, the owner of Titanic, turned 75, the day before Titanic survivors arrived in New York city) (the Bay of Pigs was JP's 126<sup>th</sup> birthday).
- The Hi Wire act over the WTC in 1974 (the inverse is 26) could have been symbolic of Omega, the last ('Tricky Dick' Nixon resigned 2 days later in 1974 (the inverse is 26), Nixon was the 37<sup>th</sup> president, and JD died in 1937).
- The queen was crowned in 1952 (26+26), and JFK was born on the 52<sup>nd</sup> anniversary of Amnesty for the Confederates. The number 52 is symbolic for 'Revolution' (since it takes 52 weeks for the earth to revolve around the sun).
- Robert E Lee became fatally ill on the 9<sup>th</sup> month for 14 days. AA11 crashed into the North Tower at 14-till-9. Bush stood atop the 9.11 rubble on 9.14 (the 100<sup>th</sup> anniversary of the McKinley assassination). A fire raged in the belly of Titanic for 14 days, before it sunk (Titanic was struck on the 14<sup>th</sup>) (the fire was extinguished at 1400). JFK was shot at the Stemmons freeway sign (US77). AA77 buzzed Arlington (Lee's former estate) before crashing into the Pentagon (the number 77 might be symbolic of the Yankee Government of Reconstruction (Reconstruction ended in 1977, "The Reconstruction Act of 1867 outlined the terms for readmission to representation of rebel states. The bill divided the former Confederate states, except for Tennessee, into five military districts").
- 9.11 was 3-days shy of the 100<sup>th</sup> anniversary of the Mckinley hit (on 9-14.1901), and JD Rockefeller died 3 years shy, of his 100<sup>th</sup> birthday (age 97) (JD wanted to live to 100).
- JD Rockefeller and JP Morgan seemed to have placed McKinley into office (with their deep pockets) (4 years after JD Rockefellers empire was threatened) Things apparently turned sour, by McKinley's 2<sup>nd</sup> term (the 29<sup>th</sup> presidential race, 29 is the reverse of 1892, when JD Rockefellers empire was threatened). So, McKinley was assassinated, allowing the 26<sup>th</sup> president into office (who apparently hated Big Trusts, he was called the "Trust Buster") suggesting McKinley was placed into office then assassinated for symbolic reasons (like JFK) (62 years later (the reverse of 26) JFK is assassinated) (Captain Smith was 62 when Titanic sunk). Captain Smith looked like Robert E Lee.
- McKinley happened to be the Governor of Ohio in 1892, when the State of Ohio threatened JD Rockefeller's empire (ordered the Standard Oil Trust to dissolve) (did JD hold McKinley accountable? since he was the Governor when the State ordered JD's empire to dissolve).
- Robert E Lee's first campaign was on Cheat Hill on 9-11-1861 (the 85<sup>th</sup> anniversary of the SIPC (Stanten Island Peace Conference) (Titanic was found in 1985). The Pentagon construction began on the 165<sup>th</sup> anniversary of the SIPC. The 9.11.2001 tragedy was the 225<sup>th</sup> anniversary of the SIPC. The Intelligence Community warned of 9.11, on the 222<sup>nd</sup> anniversary of the SIPC.
