

**9-11 and Coincidental History**

Theory suggests that 9-11 was an inside job, plotted decades ago, before the World Trade Center was conceived in 1955, in retaliation for the past, maybe the Civil War, maybe messing with Big OIL, or maybe somtin else. The theories are supported by a trail of symbolic foot prints, left behind, perhaps inadvertently, perhaps intentionally, as a calling card, like a fiend who commits a heinous crime, and leaves his calling card out of arrogance, assuming no one will figure it out.

- 9-11 was 90 years after the 1911 bust up of Big OIL Trust , by the 1890 SAA (Sherman Antitrust act) ( S,A,A is 19, 1, 1) (add 90 to 1911 and you get 2001, 9.11 presumably comes from 1911). So the number 90 appears prevalent in 9-11 symbolism. UA175 hit at 903, the first WTC hit was in 1990 + 3, and UA93 converts to 90+3. There's also 3 degrees in Free Masonry (I tot I'd throw that out there, since the Mason's keep popping up in me reserch). The Trust was busted up by the 1890 SAA act, and SAA converts to 19-1-1, with S being the 19 letter. There were 19 hijackers, and most were from SA (Saudi Arabia). The WTC architect helped build the SA airport. SAA converting to 19.1.1, contains 9.1.1 and is symbolically the reverse of Lee's birthday 1.19 (Robert E Lee). Reverse symbolism is frequent in 9.11 research.
- For example General Lee's name is reversed in the name of the WTC designer, and 9.11 is symbolically the reverse of Lee's birthday 1.19, and all 4 flites reversed course, and Bush was notified twice, 5 till and 5 after (the 11<sup>th</sup> sign and the 9<sup>th</sup> sign of the Zodiac). The reverse symbolism seemed to originate from the fact that 26 graves lined the perimeter of the roze garden (at Arlington) to prevent Lee's return.
- So the focus of retaliation appears to be centered on Robert E Lee, whose estate was turned into Arlington cemetery in 1864. Coincidentally AA77 buzzed Arlington, seconds before crashing into the Pentagon, after a 64 minute flite, at 937am (JD died in 1937). 64 years after the Civil War, the SS roze to power (according to theory) in 1929, and the next presidents initials were the 6<sup>th</sup> and 4<sup>th</sup> letters. Also the WTC (World Trade Center) plan was approved in 1964, etc etc. Not to mention the fact the SS tried to end theze theories, on my 64<sup>th</sup> year. And 64 is the reverse of 46. Bush, born in 1946, stood on the rubble, wearing hat 164.
- AA11 hit the north tower at 846, after a 46 minute flight, and the 9-11 president was born in 1946, and was the 46<sup>th</sup> governor of Texas. 9-11 occurred 46 years after the World Trade Center was conceived in 1955, and the 1911 bust up of Big Oil, was 46 years after the Civil War. JFK was 46, and the Garrison trial was on 4-6.
- The first WTC hit was 14 til 9, and Robert E Lee became fatally ill on the 9<sup>th</sup> month for 14 days, and 9.11 was 3 dayz shy of the 100<sup>th</sup> anniversary of the Mckinnley hit on 9-14 (who had JD investigated). JD died 3 yrs shy of his 100<sup>th</sup> birthday. Bush stood on the 9.11 rubble, on 9-14.
- Robert E Lee's first campaign was on Cheat Hill on 9-11-1861, and pentagon construction began on 9-11-1941, and 3 YRs of pentagon construction was hit on 9-11 by AA77. and on 9-11-1998 the IC warned of catastrophic consequences, after the new pentagon construction began.
- Also JFK was threatened on the 34<sup>th</sup> anniversary of the 1929 Stock crash, and in 1911 Big OIL was busted into 34 pieces, and JFK was shot on his 34<sup>th</sup> month as prez, and his wife was 34 years old, and Bush filed on 3-4 for the Arbusto stock he dumped. 43 is the reverse of 34, and Bush was the 43<sup>rd</sup> presidente, and Cheney finally acted on 9.11, 43 minutes after AA77 crashed. Also Cheney's initials DC, convert to 43. AA77 hit the pentagon 34 minutes after the south tower was hit at 903 am.
- In 1911 JD was worth 900M and the twin towers cost 900M.
- See 9-11 Probe B and Probe A for more information.
