The Neck Assaults

on Halloween nite

~~XXXX~~ turned me into MR STIFF Frankenstein

Couldnt turn my head I had to turn my Body to turn the head

I had to hold my head to walk around

as if on a weak like to

Pedastol support Post was severely Damaged

I had trouble maneuvering in Bed

ended up sitting & sleeping

it was torture to lift my head in any way

I Couldnt maneuver my head on the pillow in any way

I had to use my hands to support my head & even that was torture

I had to use my hands to hold my head in place

to maneuver in bed to sit up to crawl to the front of the Van to the Back

The ~~XXXX~~ viciously Assaulted my Neck several times

On the worst Days I was shrieking in Pain

I suspected the ~~XXXX~~ was trying to Hospitalize me

Moanin Loudly Groanin

at any Movement

An Elimination Attempt for my Birth Day

Based on their History

Before I could Accumulate a Savings Beyond \$600

I suspected a false Diagnosis would follow

In 2011 they Controlled Every Hospital

I turned away 11 times for Internal Parasites

In 2015 they intentionally Mis Diagnosed my Condition twice

Rite Before DDAY They fabricated a Fake Girl fren on Camera

"Go Ahead DUC" "EOT IT OFF"

R20171224  
P4

Eventually I was on my knees to avoid hitting the back of the Van

I would take leaks on my knees  
Performed Daily Activities on my knees  
Got in thru the back door on my knees  
Got out

standing  
crouching

Get in Dressed, organizing  
Back  
covering window  
would rip it

After I lost considerable sleep sitting & sleeping

was torture to lay down or get up

NOV 7th Pulled out the Nerve Gas Attacks to Brain

as a Guilt-trip tactic

forced me to drive around for 5 Dayz in a crippled van

after giving me a flat tire

forced me to drive 15-20 miles twice

Locking for a new tire

to incite Anger Provoke

the 1st time was for Nov tricked into

a long Drive only to find out

They DIDNT have my TIRE

while Recovering

the 2nd time they made it look like for not like

"what's the tire. Nobody ordered a tire"

guy 41 'Ruthless People'

I Also Drove 15-20 miles for the NOV 4th Stereo Installation

They Assaulted the neck  
Pedastol

A few Dayz After I Got the tires the van tried to stage a VAN BREAKIN

anticipating a long Drive stopping & going in traffic

Ferror at midnite

as I slept

in the back Recovering

the 1st time maintained their neck injury

Lesser Assaults using MK ULTRA

Rite After the 1st major Neck Assault NOV 1st

at my Desk at work  
in the Mens Room at work  
in the van

The SMT would FIRST SHUT ME OFF BY Remote Control

5-6 workers who try to BOWL me over

### Neck Assaults

It took minutes to crawl

Before

It took 1-2 seconds

to the front from the back of the VAN

I would go to bed

cradling my head with one hand

as I lowered myself

using one arm

The ~~BOOK~~ typically

Hones their tactics

based on what they see

so they soon started

Assaulting my shoulder

to make maneuvering more ~~difficult~~

DIFFICULT

By the 1st Major Neck Assault

the ~~BOOK~~ has a worker check

my Coherency with Confusing Statements

By the 2nd Major Neck Assault

to ~~BOOK~~ continues to stage

Hit Attempts

Typically a TUFF guy trying to provoke

the crippled

By the 5th Day

into Neck Assaults

to ~~BOOK~~ BOASTS

Raises Both Arms in Victory

By NOV 4th (6th Day)

to Get up to pee

AFTER Assaulting Me in my sleep

~~BOOK~~ assaults neck differently

in anticipation of a 15-20 mile Drive

like my head was on a fractured Pedastol
